Approved by	Dr. Shailesh A. Shah, Principal
Participating students	68 students of 8 <sup>th</sup> semester B. Pharm
Accompanying faculty members	Mr. Amit Chaudhary
Coordinators from industry	Shrenik Shah

The Educational visit to Montage Laboratories Pvt. Ltd was organized by Maliba Pharmacy College on 2<sup>nd</sup> March 2019. 68 students of 4<sup>th</sup> year B.Pharm and 1 faculty member actively participated in the visit, which was successfully coordinated by Dr. Furqan Maulvi. We started our journey at 11:30 PM from Surat and reached Montage Laboratories at 9:30 AM.

After reaching at the industry, 68 students were divided into the 7 groups containing around 10 students in each group. Then we entered into industry to see the sterility testing of the manufactured parenteral products. There we got the brief introduction about the procedure followed and the equipments that are being used to carry out the sterility testing. From there we headed towards ampoules sealing department where we saw the actual procedure employed in sealing of ampoules. Afterwards we moved towards the inspection section where we learned how ampoules are qualified for packaging. Any uneven sealed ampoules were rejected and the rest of ampoules are carried forward for packaging. The carry forwarded ampoules are then send to the printing area where each and every ampoule glass is printed with the company's logo. After successful printing the ampoules are packed manually. The company also gave the brief about their new hormonal parenteral plant, starting soon.

We left from the plant at 2:30 PM and reached Surat at 10:30 PM. For the Industrial visit we left Surat at 11:30PM on 1<sup>st</sup> March and reached Himmatnagar at 9:30 AM on

2<sup>nd</sup> March.

**Prepared By: B. Pharm students (4<sup>th</sup> year)**  
**Date: 14<sup>th</sup> March 2019**
