

Report–Orientation Program for B.Pharm 1stYear (Class 2) at

Maliba Pharmacy College – 17th to 18th August 2018

Maliba Pharmacy College, Bardoli organized an orientation program for the newly admitted B.Pharm students at the institute premises on 17th August and 18th August 2018. The major objective of the program was to make the parents and students aware of the academic aspects of the programme/course, the rules and regulations of the institute and ensuring parental participation in monitoring the performance and progress of the students. The student orientation program is designed to:

- Familiarize students with the standards of the MPC & UTU and principles of our academic community
- Help students navigate the UTU campus and identify the resources available
- Present tips and key information that will make students' first day at UTU and their transition to B.Pharm go smoothly
- Introduce students to counselors and important resources critical to their personal and academic success at MPC
- Provide the opportunity to meet other students, new as well as seniors
- Acquaint students with the history and traditions of MPC & UTU
- Share a portrait of the incoming class in all its diversity and richness as new students are welcomed into the vibrant MPC community
- Introduce pharmacy as a whole including different streams of pharmacy, career and scope.

The orientation program began on 17th August 2018 with the welcome of the students, their parents, dignitaries and faculty members. All the participants were welcomed by Dr. Ashish

Mishra, Dean, faculty of Pharmacy; He inspired students and gave overview about B.Pharm, subjects to be taught in B.Pharm, various jobs prospective after completion of B.Pharm. Dr. Shailesh Shah, Principal of MPC welcome students and inspired students with quote “Where there is a will, there is away”. He gave brief description of the institute, which included the motto, vision, mission, history and academic regulations & reputation of college along with recent achievements.

All HODs of MPC took expert session in their respective specialization subjects for creating interest in Pharmacy field and to have an overview of different subjects of Pharmacy. Dr. Shrikant Joshi discussed regarding universal human values & role of students in nation building. The students were taken for a visit to entire Maliba Campus to explore the availability of various resources by a team of faculty members. This orientation program was coordinated by admission committee of MPC.
