The Educational visit to Sehat Pharma Pvt. Ltd was organized by Maliba Pharmacy College on 2nd March 2019. 44 students of 4th year B.Pharm and 1 faculty member actively participated in the visit, which was successfully coordinated by Dr. Furqan Maulvi. We started our journey at 11:30 PM from Surat and reached Sehat Pharma at 12 noon.

After reaching at the industry, 68 students were divided into the 7 groups containing around 10 students in each group. Sehat Pharma is a small-scale industry for tablet manufacturing and coating. In this industry we learned different methods of manufacturing and coating of tablets. The tablets after the manufacturing are sent to the coating department where the tablet is coated in accord with the specifications. The company also briefed us with the types of coating solutions that are being employed in the coating. We also saw the equipments through which coating is carried out and the actual process for coating of the tablet. Moreover, the industry also brief students with the regulated flow of ingredients in the industry from the storage area.

We left from the plant at 2:30 PM and reached Surat at 10:30 PM. For the Industrial visit we left Surat at 11:30PM on 1st March and reached Savgadh at 12 noon on 2nd March.
