A visit to *APOLLO HOSPITAL*, Ahmedabad was arranged for the students of Final Year B. Pharm of Maliba Pharmacy College on 7<sup>th</sup> March, 2019.

43 students along with 2 faculty member (Mr. Avinash Khadela, Dr. Rutvi Vaidya) had visited the hospital.

The visit started at 12 am from College. We boarded the college bus to reach to Ahmedabad. We reached there around 09.45 am. At the reception, we were welcomed by the team members of APOLLO HOSPITAL. Student were divided into 3 group (each group having 15 students) and then a visit to the different departments of the hospital like ICU, ICCU, IN-Patient Pharmacy, Outpatient pharmacy, pathology lab, CATH Lab, operation theatres, emergency services, clinical pharmacy department, central pharmacy etc. was arranged. A detailed explanation regarding each department was given during the visit. This was followed by a detailed presentation about the role of clinical & hospital pharmacy in hospital, drug distribution systems, inventory management and medication errors. In the end, we visited the In-Patient pharmacy store, where we had to chance the actual storage, purchasing and billing of drugs to patients. We also saw the special precautions for storage of narcotic drugs, look alike sound alike medicine, highly concentrated medicines etc.

Overall, the visit was very informative and enjoyable.
