

Report- Health awareness training for school teachers and students

Date: 19/09/2019

Department of Pharmacy Practice, Maliba Pharmacy College has coordinated health awareness training sessions for teachers and students of Bhuvasan Primary School, Bhuvasan and Sarbhon Primary School, Sarbhon on 19th September 2019 in association with Jan Seva Kendra-Bardoli and Social Service Club-UTU.

Training sessions were financially supported by Uka Tarsadia University and Rotary Club-Gandevi.

The session included training on general health, hygiene, hand wash, safe water storage, food handling, excreta disposal, importance of safe drinking water, water born disease, disease transmission and prevention, etc.

Programme was coordinated by Dr. Bhavik Satani and Mr. Avinash Khadela.

Mr. Avinash Khadela, Dr. Rutvi Vaidya and Pharm.D students from Maliba Pharmacy College acted as resource person. Pharm.D students have trained school students using posters and skit performance.

Schedule followed at each school was as follow:
