Accompanying faculty member	Dr. Nidhi Kher, Ms. Sneha Patel
Coordinators from Vapi Care Pharma Pvt Ltd	Mr. Divyesh Shah (General manager-Production)

An industrial visit of Vapi Care Pharma Pvt. Ltd. was organized on 13th September, 2019 for Final year B.pharm students (Class1). Two of the faculties were given the responsibility of handling the entire visit.

As per the permission of the General Manager - Operation, Divyesh Shah Timings were decided and we reached the venue at around 9.30 am.

Initially the students were given a proper introduction to all departments along with the material flow in the unit. Also we were greeted by the HR - Jignasa Ma'am and finally distributed in 3 groups of 11 each for the visit. During the visit we were given exposure to the various departments along with all the equipment. We were taken through different sections like tablet manufacturing , raw material processing, coating , syrup filling, paste formation, compression unit, packaging , sealing etc. All the queries were addressed at the end of the session .

Overall, the visit was very informative and enjoyable.
