Health checkup and Patient counseling camp

As a part of celebration of diamond jubilee of Pharmacy act, 1948; Azadi ka amrit mahotsav and Panch Prakalp, Hari Bhakta Pharm. D., Maliba Pharmacy College has organized a Health checkup and Patient counseling camp at community hall, Isroli Village, Bardoli, Surat on 12th March 2022. The event was coordinated and managed by Mr. Trupal Rathod, Mr. Dhaval Joshi, Mr. Jitesh Jariwala under the guidance of Pharm D coordinator Dr. Bhavin Vyas and NSS coordinator Dr. Gajanan Kalyankar and Mr. Samaresh Pal Roy.

Total 37 students from Pharm. D. have actively participated in this camp. Different health screening activities were conducted like blood pressure, sugar monitoring, BMI and BMR monitoring, medication history interview and drug and disease related counseling.

The event has been started sharply by 9 am with prayer and giving tribute to the our beloved trustee late Bhagubhai Patel. The Pharm D students started detailed screening of patients and gave counseling related to their disease and medication and lifestyle modification. They have obtained detailed medication history and found many drug related problems like non-medication adherence, Drug interaction and adverse drug reaction. A total of 54 people benefited from this camp and they have appreciated the efforts given by the students and staff. We have received a good feedback from the village people.
