

National Pharmacovigilance Week Celebration- 2021

National Coordination Centre, Indian Pharmacopoeia Commission (IPC) has decided to celebrate the annual event “ National Pharmacovigilance week” from September 17th-23rd to make the Public and healthcare professionals aware about the importance of adverse drug reaction reporting to improve Patient Safety. The theme for this year’s National pharmacovigilance Week was “Pharmacovigilance: A step towards Patient Safety”

Maliba Pharmacy College also celebrated Pharmacovigilance Week On 20th- 21st of September 2021. Pharm.D Students excitedly organized the events under the guidance of Dr. Bhavin Vyas and Pharmacy practice faculties. This event was successfully planned and coordinated by Mr. Trupal Rathod and Mr. Dhaval Joshi.

Pharmacovigilance Week was celebrated very enthusiastically where students got to know what is pharmacovigilance and How Indian Pharmacovigilance System Works. On 20th September, the event was started with different competitions like ADR identification and assessment, Patient Counseling and Poster Presentation competition, which had a favorable outcome. Correctly using ones knowledge and with the great spirit of Winning, every student became a part of a fair competition. On the next day, morning Awareness session regarding pharmacovigilance and ADR Reporting was held for the Students of Maniba-Bhula Nursing College and afternoon session was arranged for Pharm D students of Maliba Pharmacy College. This awareness session was conducted by two of the Pharm D students Dhvani Adhvaryu and Chyta Gohil under the guidance of Mr. Trupal Rathod.

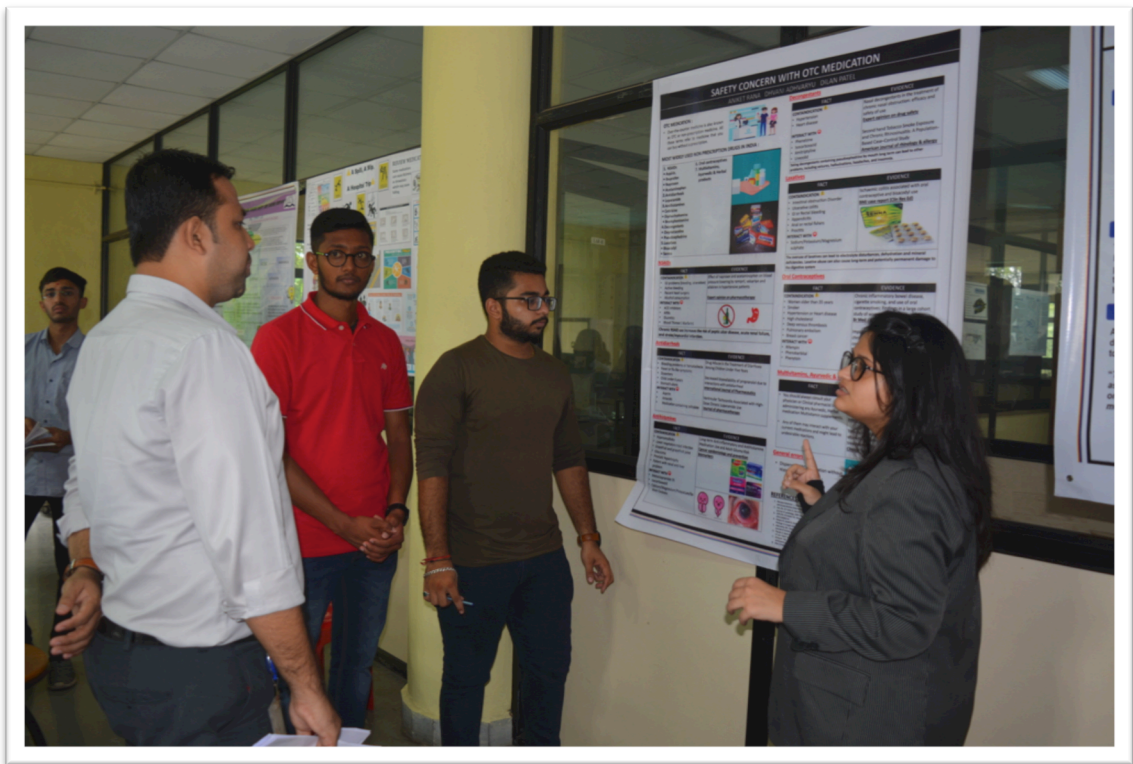

In the afternoon session prize distribution ceremony was arranged and the winners were appreciated with medal and certificate.
