

Hospital Visit Report

Kiran Multi Super specialty Hospital, Surat

25th February, 2022

The students of 2nd year PHARM. D, Maliba Pharmacy College, Uka Tarsadia University have visited KIRAN HOSPITAL on 25th February, 2022. Total 35 students were present with the a faculty of pharmacy practice department - Mr. Dhaval Joshi.

The hospital is located in Katargam, Surat. It is managed by Samast Patidar Aarogya Trust, headed by Mr. Govind Dholakia. Our bellowed Prime Minister Shri Narendra Modi has inaugurated this 551 bedded multi-specialty hospital on 17th April 2017. This hospital is also NABH accredited.

Students and the faculty reached the hospital by 12:30 pm. At first, all gathered in conference room as an introductory session was arranged by Ms. Ekta Patel who is working as a Clinical Pharmacist at Kiran hospital.

Ms. Ekta has also explained the role and responsibilities of clinical pharmacist and various activities performed in IP and OP prescription audit, ADR reporting , medication error etc. She also elaborated how the high risk drugs can be stored.

In next session, Ms. Ekta along with a co-clinical pharmacist, Dr. Ashwin; gave an idea about how the nursing notes, documentation of medication chart of the patients were being managed. They showed students how the CRASH CART is maintained and used in case of some emergency. The students have also understood the case notes and discussed various cases in different wards.

The overall visit was very informative and students have learnt a practical role of clinical pharmacist in hospital.
