The Educational visit to Emani Ltd., Vapi and Silvassa was organized by Maliba Pharmacy College on 14th & 16th March 2022. There are total 87 students has participated in this field visit, all the students are from Fourth Sem B. Pharm amongst them both Class-1 and Class-2 students included. For this Visit, We would like to convey our gratitude to Dr. Prof. R. Krishnamurthy, Professor & Director; Dean - Faculty of Science, Uka Tarsadia University, Bardoli for arranging such informative Industrial visit. Emani Ltd., Vapi and Silvassa, both plants are WHO and cGMP approved plant hence it's only facilitated 25 students for each day to visit plants. Dr. Vilas Surana, Head of Pharmcognosy Dept., Maliba Pharmacy College has co-ordinate with plant Head for organizing Industrial visit. We had divided our Fourth sem B. Pharm student in two group so Industrial visit has been planned on 14/03/22 for Classs-2 students and 16/03/22 for Class-1 students. Mr. Jitesh Jariwala, Ms. Aneri Desai and Ms. Yashwini Kansara had accompanied student for field visit.

We had started our journey at 5:15 AM from Surat and reached our destination at 9:30 AM on both day. In Emani Ltd., Vapi, Mr. Arun Desai, General Manager, Human Resources and Emani

Ltd., Silvassa, Mr. Deepak Kumar, General Manager, Human Resources has given brief introduction of Industry and achievement of company during this COVID pandemic periods. Afterward they were guided all students to gowning room and provided apron and caps, In gowning room several posters were there for instructing proper gowning procedure. Emani Ltd. Vapi has manufacturing Ayurvedic Tablet, Capsule, Asava and Aritha while Emani Ltd. Silvassa has manufacturing Ayurvedic Tablet, Capusule and Chyawanprash. According to Dosage form variation both plant has different set up. In Vapi Plant, Mr. Arun Desai has explained in detail about various departments like raw and finished product storage, different sampling techniques, manufacturing process for tablet and aristha, quality control and quality assurance of raw and finished product, labeling and packaging method for various dosage forms. While in Silvassa plant, Mr. Shashimohan Verma, Head – QA & QC had given detail about storage facility, Sampling of raw material, sample label method as per GMP, manufacturing of Tablet, capsule and chyawanpransh, analysis of finished dosage form, labeling and packaging methods. During Industrial visit both facilitators has addressing all query of students and visit being more interactive. Both facilitators were encouraging budding Pharmacist to cultivate more interest in research and analysis of Crude drugs.

Finally after completion of visit all were gather in the conference room where the HR head Mr. Arun Desai had arranged delicious snacks and lemon water for all students. After that the plant head Mr. Dilip Kumar Jha was felicitated by Mr. Jitesh Jariwala and Ms. Yashwini Kansara floral bouquet and university memento. Lastly, The Informative visit ended by clicking a group photograph at 1:30 PM and left the plant.
