

**Informative Session
on
“Insights into Research”**

An informative guest lecture on the topic “Insights into Research” was organized at Maliba Pharmacy College on 8th December 2023 for M.Pharm students of all branches.

Eminent researcher Dr. Pravin O. Patil, Professor at H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, delivered an inspiring talk about the various aspects of research from selection of research problem to publication and patenting aspects of research.

The guest speaker shared his rich research experience with details of his current research projects to motivate the students. A total of 68 PG students/research scholars and 16 faculty members attended the interactive session.

Dr. Sandesh Lodha hosted the session and also delivered the vote of thanks on behalf of Maliba Pharmacy College.
