Gujarat State Biotechnology Mission sponsored

Three days National workshop on

“Biostatistics: Leveraging MS Excel for research and Analysis”

4th to 6th October 2023

Day 1 of the National Workshop on Biostatistics started with an inaugural function. Dr. Shailesh A. Shah, our esteemed Convener, and Co-Convener, Dr. Renu Chauhan, graced the occasion with their presence, adding to the workshop's prestige and expertise. We were honored to have Dr. Kiran Pandya as our Chief Guest, further elevating the significance of the event. Dr. Neha Raval's engaging session on data types, exploratory data analysis, and descriptive statistics set the stage for an enlightening workshop. Dr. Bhargavi Desai also joined us, imparting knowledge on various types of charts, enhancing our understanding of data visualization. We're elated to share that 55 participants (33 Female and 22 Male) actively contributed to the discussion, making it an enriching experience!

Day 2 of the National Workshop on Biostatistics brought even more valuable insights! Dr. Bhavin Vyas took the stage, delivering a captivating lecture on hypothesis testing and the selection of statistical tests. Dr. Ditixa Desai led an engaging hands-on training session on ANOVA, allowing participants to dive deep into practical applications. Mr. Praful Dedhiya shared insights on normal distribution during the workshop. With each passing day, the workshop uncovered the power of data analysis!

Day 3 of the National Workshop on Biostatistics started with the session by Dr. V. K. Mourya, a magnificent personality with a wealth of knowledge and self-learned expertise. His insightful talk on

correlation and regression left all the participants inspired. The valedictory function was graced by Dr. Ashish Mishra, Principal of Dr. Chunibhai Vallabhbbhai Patel College of Pharmacy, who bestowed Dr. V. K. Mourya with a well-deserved honor. The presence of Dr. Shailesh Shah and Dr. Renu Chauhan added the grandeur of the event. As we conclude this enlightening workshop, we're filled with gratitude for all the knowledge shared and connections made.
