

REPORT ON NATIONAL ENERGY CONSERVATION DAY 2023

National Energy Conservation Day is celebrated every year on 14th December to promote the significance of energy conservation and to highlight the nation's achievements in energy efficiency and conservation. Maliba Pharmacy College and Dr. Chunibhai Vallabhbhai Patel College of Pharmacy jointly celebrated National Energy Conservation Day with great zeal under the observation of National Service Scheme (NSS).

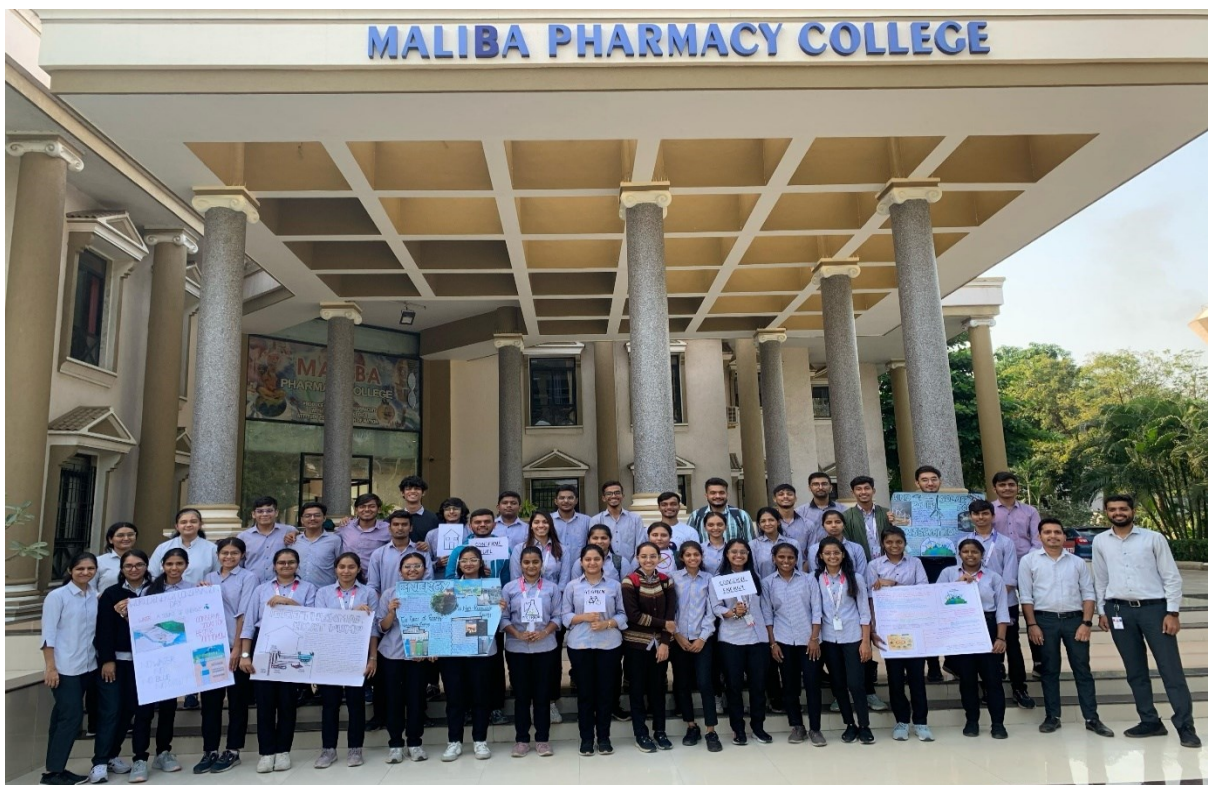

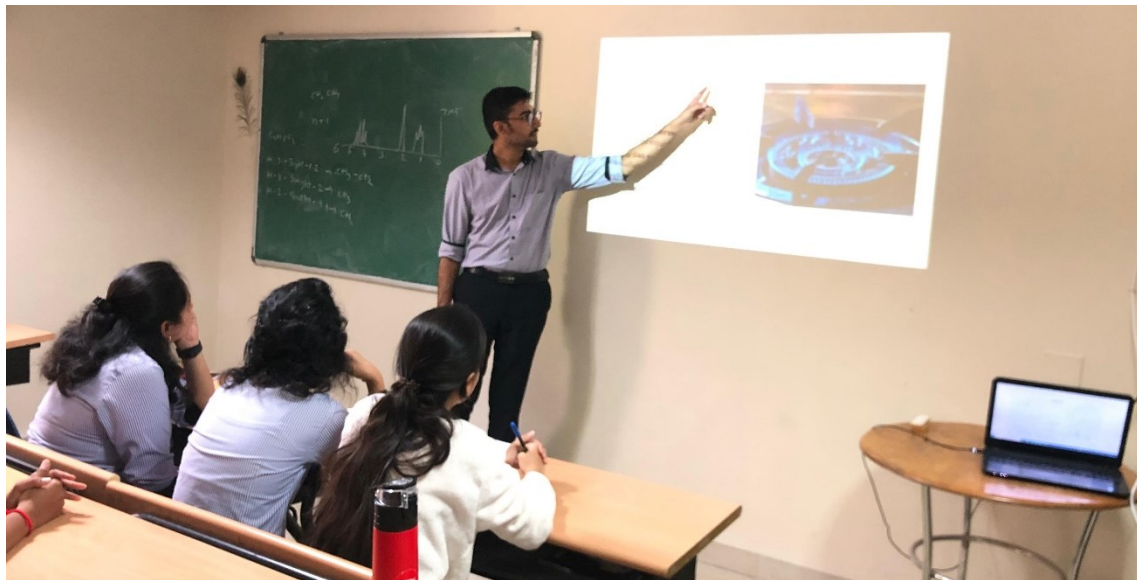

The students of B Pharm, Pharm D and M Pharm had participated in the awareness campaign under the guidance of cultural committee -Dr. Sandesh Lodha, Dr. Ditixa Desai, Ms Aashka Bhatt, Ms. Ami Vyas, Dr. Shreyansh Rai, Dr. Shreya Patel and Dr. Drashti Shukla.

The students tried to bring the awareness amongst the fellow students through powerpoint presentation, skit and poster presentation. They went to various classes to present their thoughts on energy conservation. Various topics like water conservation, geothermal energy, fuel conservation, electricity conservation, energy efficiency, solar energy- a substitute to other sources of energy were selected by them.

Total 49 students had participated in the awareness campaign i.e 7 from DCVPCP (4 male and 3 female) and 42 from MPC (20 male and 22 female).

“SUSTAINABLE IS ATTAINABLE”
