2. To inspire students to develop vision, adaptability, and ethical decision-making skills.
3. To enhance understanding of team management, innovation, and continuous learning as key leadership traits.

Program outline:

Mr. Satyam Chauhan, an alumnus of Maliba Pharmacy College, Bardoli, and the Founder & CEO of Integrated Curis Pvt Ltd, delivered an insightful session on the theme of "Leadership" to the B.Pharm students. With over a decade of experience in the healthcare industry, Mr. Chauhan

shared his journey and perspectives on effective leadership in the evolving pharmaceutical landscape as highlighted below:

Visionary Leadership- Mr. Chauhan emphasized the importance of having a clear vision and aligning team efforts towards a common goal. He shared anecdotes from his entrepreneurial journey, illustrating how a well-defined vision can drive organizational success.

Adaptability and Innovation- In the rapidly changing pharmaceutical industry, adaptability is crucial. Mr. Chauhan discussed how Integrated Curis Pvt Ltd has embraced innovation to stay ahead, highlighting the integration of technology in healthcare solutions.

Empowering Teams- Effective leaders empower their teams by fostering a culture of trust and collaboration. Mr. Chauhan shared strategies for building strong teams, including open communication and recognizing individual contributions.

Ethical Leadership- Integrity and ethical decision-making were central themes in Mr. Chauhan's talk. He stressed the significance of maintaining ethical standards in all business dealings, especially in the healthcare sector.

Continuous Learning- Mr. Chauhan encouraged students to be lifelong learners, staying updated with industry trends and continuously enhancing their skills to be effective leaders in the future.

Program outcome:

1. Students gained awareness of the essential qualities of an effective leader.
2. Understanding of how vision, innovation, ethics, and team empowerment contribute to professional success.
3. Motivation to cultivate leadership skills and lifelong learning habits for career development.
4. Enhanced appreciation of practical insights from industry experience to apply in academic and professional life.
