ALUMNI VISIT REPORT

Date – 26th September 2026
Name of Alumni: Mr. Hitesh Davariya
Year of Graduation: 2017
Purpose of Visit: Alumni–Faculty Interaction and Institutional Visit

Mr. Hitesh Davariya, an alumnus of the 2017 batch, visited the college after approximately ten years. During his visit, he interacted with the faculty members and revisited the college to reconnect with his alma mater and recall his academic experiences.

Mr. Davariya is currently working as the Founder of Bioryth Enterprise, Surat, which is engaged in the import and export as well as manufacturing of nutraceutical products. During the interaction, he shared information about his professional journey and entrepreneurial experience after graduation.

The visit provided an opportunity for the faculty members to interact with the alumnus and learn about his professional growth and entrepreneurial journey. His visit also reflected the continued association of alumni with the institution.

Mr. Davariya expressed his interest in contributing to the academic and professional development of current students. He shared his willingness to interact with students in the future and provide them with insights into entrepreneurship, the nutraceutical industry, and professional opportunities.

The college appreciates his visit and looks forward to strengthening the association with him as an active alumnus and future resource person for student interactions and career-oriented activities.
