Report on World Pharmacist Day Celebration

Cultural Event

Date: 25th September, 2026

Venue: Manjula Hall and Janseva Kendra (Bardoli)

Time: 8:30 a.m. onwards

Total No. of Participants: 420

Event Coordinator: Cultural committee

Program objective: The primary objective of the Pharmacist Day celebration was to acknowledge and honour the vital contributions of pharmacists to the healthcare system while raising public awareness around the theme "स्वस्थ भारत: Combating Antimicrobial Resistance." The program aimed to engage pharmacy students in community outreach through dynamic activities—including a Nukkad Natak, Health Checkup camp, awareness rally, and interactive academic contests like Pharma Quiz, Crossword, and Pharma Hunt—to bridge classroom learning with real-world public health challenges.

Program outlines: The theme was "**स्वस्थ भारत: Combating Antimicrobial Resistance**" based on which many events were organized like Nukkad natak, Health Checkup camp, Pharmacist Day rally, Community awareness, Crossword, Pharma Quiz, Bookies, pharma hunt.

Program outcome: Through this event, students gained the confidence and skills needed to talk to all kinds of people about safe medicine use and the dangers of antibiotic resistance. By stepping out into the community to run health camps and lead rallies, they built strong teamwork, communication, and basic diagnostic skills. At the same time, the academic games and quizzes sharpened their core pharmacy knowledge, helping them grow into thoughtful, community-focused future healthcare workers.

Maliba Pharmacy College organized World Pharmacist Day on the theme **"स्वस्थ भारत: Combating Antimicrobial Resistance"** for students of B.Pharm, M.Pharm, and Pharm.D programmes. The event was graced by the esteemed presence of **Dr. D.R. Shah (CEO), Dr. Y.P. Kosta (Provost)**, **Dr. Ashish Mishra (Director, MPC) and Dr. Pranav J Shah (Director, DCVPCP)**. Their presence added enthusiasm to the celebration and highlighted the vital role of pharmacists in promoting public health and combating antimicrobial resistance.

Various activities were organized to mark the occasion, including Nukkad Natak on combating antimicrobial resistance, health checkup camp that served around 85 patients, Pharmacist Day rally, and community awareness drives. Additionally, engaging events such as a Crossword, Pharma Quiz, Bookies, and Pharma Hunt were held.

Through these initiatives, students actively engaged with the community and spread awareness about the responsible use of medicines and the prevention of antimicrobial resistance.

The students emphasized the importance of pharmacists in ensuring the safe and effective use of medications, providing patient counselling, promoting rational drug use, and educating the public about the dangers of antimicrobial resistance.

The celebration successfully highlighted the indispensable role of pharmacists in healthcare and reinforced the commitment of future pharmacy professionals towards building a healthier India through awareness, responsible medication practices, and community engagement.

List of Participants: All the students of MPC - B.Pharm, M.Pharm, Pharm D. courses.

Total Participants: 420 Students

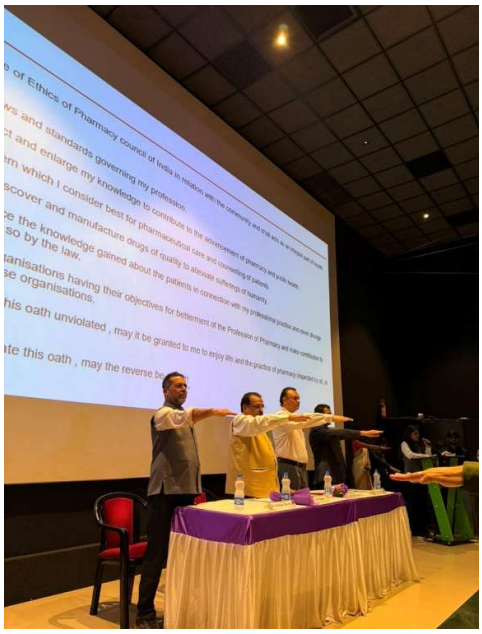

Female: 221

Male: 199

Glimpse of Events:

Concluding remarks:

As we had a celebration of Pharmacist Day to a close, let us take a moment to reflect on the remarkable impact that pharmacists have on our lives, our health, and our communities. Today, we've had the privilege of celebrating not just the expertise and dedication of pharmacists, but also their compassion, their commitment to continuous learning, and their tireless efforts to improve patient care. This concludes the event and acknowledges the key contributions of pharmacists while reinforcing the importance of their role in healthcare.
