

Maliba Pharmacy College ranks 37th in the country and 4th in Gujarat as per NIRF

Maliba Pharmacy College has ranked 37th in the country and 4th in Gujarat as per MHRD national rankings i.e. NIRF. The National Institutional Ranking Framework (NIRF) has been approved by MHRD and was launched by Honourable Minister of Human Resource Development on September 29, 2015. The framework outlines a methodology to rank institutions across the country. Ranking methods have been worked out for six categories of institutions i.e., Engineering, Management, Pharmacy, Architecture, Universities and Colleges. The pharmacy colleges across the nation were evaluated based on five parameters. 1] Teaching, learning & resources (30% weightage) which includes faculty student ratio, number of permanent faculties, number of Ph. D. faculties, teaching experience of faculties, library and laboratory facilities, sports and extra-curricular facilities. 2] Research, professional practice & collaborative performance (30% weightage) which includes number of publications, citations, patents, projects and professional practices undertaken by the institute. 3] Graduation outcomes (15% weightage) which includes students' performance in public and university exams, placement, higher studies and entrepreneurship and mean salary for employment 4] Outreach (15% weightage) which includes % of students from other states/countries, % of women students and faculties, % of economically and socially disadvantaged students and facilities for physically challenged students 5] Perception (10% weightage) which includes rating of the institute by its stakeholders through surveys. Maliba Pharmacy College scored 51.19 marks and is the first and the only college in the South Gujarat region to secure the position amongst top 40.
