Planet Maliba

Gleaner...

Knowing our planet better

October '12 Issue 3

Gleaner is a strive of Planet Maliba to talk about the proceedings of the people residing on the Planet and hence "OF" the Planet...

AAAN...THE NEWFLANGED BEGINNING

On the 8th of September Maliba cordially behooved the joyous welcome of the new freshers of our planet with an exalted celebration of the fresher's party. The presence of Dr.R K Goyal sir as the chief guest added upon it. The malibites danced,sang,acted,played guitars all out of their talents. DJ party climbed the stairs of excitement to its peak at the finish.

Maliba Rocks

Selection of students for dance and singing competition organised by Radio Mirchi.

Practical- Manisha Manani
Pinkal Patel
Urmi Dholakia
4. **Horizons in pharmaceutical science, Nashik-**
Khushbu shingala-2nd in research section

A Glimpse on previous Ventures

A talk on Stereochemistry by the legend himself "Dr. P.S Kalsi"

The 72 year aged 'young' writer of the most renowned books on stereochemistry Dr. P.S Kalsi addressed our students for three days and laid the basis of the subject upright. The seminar imparted a very wide cognition for our students and Kalsi sir rightly proved that "The master of it always lays it as a masterpiece."

Interaction with Dr.R.K.Goyal at Maliba campus

On the 8th of September the planet Maliba was lucky to have Dr. R. K Goyal with his speech on the main roots of clinical research mainly leaning on its status in India. He further extended his talks as interactions with our students and resolved their queries too.

Pharmavision - 2012 at Baroda

Akhil Bhartiya Vidyarthi Parishad has organised Pharmavision 2012 at the pioneer college of Pharmacy, Baroda. Our students from UG and PG participated in the various events. Its always remained as a kind of ritual of Maliba to set its footprints wherever it steps and the participants proved it right and earned pride for our planet Maliba by being winners for the most of the events.

Visit to the Glenmark Pharmaceuticals, Nashik

The students of Masters of the planet had an industrial training visit to Glenmark, Nashik plant where they got the detailed information in the various fields of Pharmaceutical Company, from the manufacturing to the QA-QC and to the Research department.

A Glimpse on previous Ventures

Visit to Indian Institute of Packaging, Mumbai

The Department of Pharmaceutics had a visit to Indian Institute of Packaging on 11th September 2012, where they gained the knowledge about different equipments used for packaging and various tests conducted for quality of packaging material.

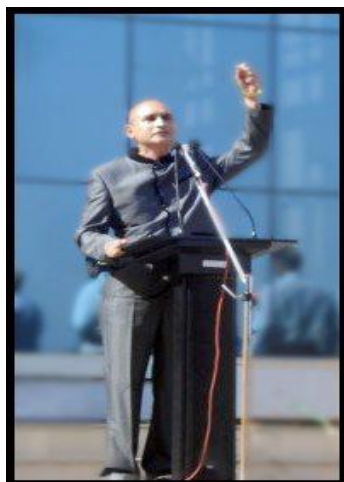

It's the TEACHER'S DAY!!

India has always been honoring teachers for their profound contributions in the education system since time immemorable. The final year students organized the day's celebration in an altogether unique way and enacted the jobs of our dear teachers.

'Legends Never Die'- A tribute to Dr. Jatin Desai

Those we love remain with us,
For love itself lives on.
And cherished memories never
fade,
Because a loved one's gone.
Those we love can never be,
More than a thought apart.
For as long as there is memory,
They'll live on in the heart.....

UPCOMING EVENTS

- Workshop on Practical Approach to Bioavailability & Bioequivalence - on 13th and 14th October 2012
- "Garba Celebration" at 20th October 2012
