

REPORT ON VISIT TO MONTAGE LABORATORIES AND SEHAT PHARMACEUTICALS, HIMATNAGAR (21 – 24th Aug 2013)

A visit to Montage Laboratories and Sehat Pharma Himatnagar was organized along with exciting trip to Mt.Abu and Ambaji for the students of M.Pharm Sem-III (Pharmaceutics, Pharmaceutical Technology and Pharmaceutical Analysis Department) during 21st – 24th August 2013.

Students reached Montage Laboratories at around 10.45 AM on 24th Aug 2013. We visited various departments manufacturing small volume liquid parenterals, dry powder injectables of Beta-Lactam and non beta-lactam, sex hormone injection and cephalosporin injections. Students also visited each department of manufacturing, IPQC, QA-QC etc. Our students also visited another Sehat Pharma situated at Himantnagar. This industry had various department producing tablets, capsule, ointment, syrup and suspension. The overall visit was very instructive and enlightening. Students felt thank full to Maliba Pharmacy College for organizing such informative and illuminating trip for us.
