### **Report:**

Maliba Pharmacy college organized an industrial visit for the students of Final Year B.Pharm on 21<sup>st</sup> July 2013 at SPIL Silvassa. Industrial visit are part of curriculum at Maliba Pharmacy College, Bardoli. The visit started with presentation by HR Dept of Sun Pharma about company's growth and status. The students visited different department and sections of pharma industry like QC, QA, Dispensing, Manufacturing (Compression, granulation etc.), Packaging etc. The students had watch to manufacturing of oral solid dosage forms. All the products were manufactured as per regulatory guidelines of DCGI, USFDA, MHRA and WHO. Students were allowed to closely observe the online production of various products. The various large-scale pharma manufacturing equipment and its applications were also keenly observed by our students. This made our students to correlate their theory with practical application in pharma manufacturing field. The officials at Sun Pharma were also impressed with curiosity of our students to learn the subject. Our students have been offered internship project at Sun Pharmaceutical Ind Ltd., Silvassa. The students were escorted by faculty Vivek Patel and Ankita Patel who guided and explained them about processing of pharmaceutical products at various stages of visit to pharma plant. The student were very happy and felt enriched after visiting a pharma manufacturing plant.
