

Nimeet Desai (Batch: 2015-19)

My four-year journey at Maliba Pharmacy College is something I cherish and hold close to my heart. I found Maliba Pharmacy College to be a place for learning, development, fun, culture, and many such life preaching activities. The serene environment of the campus and the state-of-the-art infrastructure combined with constant support from the ever-helpful faculties have helped me expand my horizons and discover that there are no boundaries for setting goals. The support that I received from faculty members has been instrumental in my personal and professional development, and I am eternally grateful to my alma mater for molding me into the individual I am today.
