

Dr. Arti Gupta  
 Assistant Professor  
 Email id: [arti.gupta@utu.ac.in](mailto:arti.gupta@utu.ac.in)  
[aarrti137@rediffmail.com](mailto:aarrti137@rediffmail.com)

Qualification		M.Pharm, Phd	
Specialization		Pharmacognosy	
<b>Experience</b>	Teaching: 12 Yrs	Industry: Nil	Research: 07 Yrs
Research Interest:	Pharmacognosy and Phytopharmacology of Herbal Drugs, Isolation and characterization of bioactive constituents and development of herbal formulations: Tablet, gold nanoparticles.		
<b>Research Publications</b>	National: 04	International: -19	
<b>Presentations</b>	National: 13 State: 11	International: 13	
Books Authored	2		
Awards & Recognition	<ol style="list-style-type: none"> <li><b>Dr. P.D. Sethi Annual Award-2013</b> for the best research paper on Application of TLC/HPTLC in Pharma, Herbal and Other chemical Analysis (<b>Certificate of Merit</b>) on Determination of ursolic acid in fractionated leaf extracts of <i>Ocimum gratissimum Linn</i> and in developed herbal hepatoprotective tablet by HPTLC published in pharmacognosy journal by Elsevier.</li> <li><b>Dr. P.D. Sethi Annual Award-2013</b> for the best research paper on Application of TLC/HPTLC in Pharma, Herbal and Other chemical Analysis (<b>Certificate of participation</b>) on Design and evaluation of herbal hepatoprotective Formulation against paracetamole induced liver toxicity published in Journal of Young Pharmacists journal (2013) by Elsevier.</li> <li>Nominate for Academic Excellence Award-2015 by Photon foundation (International Agency for Standards and Ratings honors)</li> <li>Qualifies for Heinrich Hertz Research Award-2015 in Pharmacy accredited by IASR.</li> <li>A member of <i>STM (scientific-technical-Medical) Journals'</i> editorial board. Act as an Editor on the board of Journal of Pharmacognosy.</li> <li>Reviewer for various international journals like Journal of Complementary and Integrative Medicine, Biomedicine &amp; Pharmacotherapy, Pharmacognosy magazine, journal of Pharmacognosy and Phytochemistry, BMC Complementary and Alternative Medicine etc.</li> </ol>		

	<p>7. Sanctioned Minor Research Project by Uka Tarsadia University worth Rs. 50,000 project entitled “Green synthesis, characterization of gold nanoparticles and their potential application for antimicrobial and immunomodulatory compounds for tuberculosis treatment”.</p> <p>8. I have been awarded with <b>certificate of outstanding contribution in reviewing of Biomedicine &amp; Pharmacotherapy (Elsevier)</b>.</p> <p>9. I have been awarded with <b>certificate of excellence in reviewing of the Asian Journal of Biotechnology and Bioresource Technology</b>.</p>
